Better than Pills.

The question has been asked, "In what way are Chamberlain's Stomach and Liver Tablets superior to pills?" Our answer is: They are easier and more pleasant to take, more mild and gentle in effect and more reliable as they can always be depended upon. Then they cleanse and invigorate the stomach and leave the bowels in a natural condition, while pills are more harsh in effect and their use is often followed by constipation. For sale by W. E. Pelham.

TO GO TO DALLAS.

A Party Being Made Up to Go to the Lone Star State.

Quite a party is being made up to go to Texas on account of the reunion of the Confederate veterans. It will be a great trip, and probably the chance will never be had again to take such an extensive trip at so small an expense.

The following names have been handed us, who have decided to make the trip, and they will leave on the 20th instant, some going by the Southern route and some by the S. A. L.: Messrs. D. L. Bozzer, Jr., W. C. Tyree, W. E. Pelham, Jr., C. P. Pelham, H. K. Boyd, O. L. Schumpert, E. P. Matthews, L. W. Kibler, D. B. Wheeler, J. S. Spearman and daughter, and G. F. Long and daughter.

The Great Dismal Swamp.

Of Virginia is a breeding ground of malarial fms. So low, wet or marshy ground everywhere. These germs cause weakness, chills and fever, aches in the bones and muscles, and may induce dangerous malarial. But Elveto Bitters never fail to destroy them and cure malarial troubles. They will surely prevent typhoid. "We tried many remedies for Malaria and Stomach and Liver troubles," writes John Charleston, of Byesville, O., "but never found anything as good as Electric Bitters." Try them. Only 50c. A QUICK PROMOTION.

Lieut. Tom Moorman Goes Up a Peg in the Army.

It is stated that Lieut. Thomas Moorman, U. S. A., of this city, who after his withdrawal from the volunteer service in the Philippines was given a second lieutenantancy in the regular army and assigned to the Seventeenth infantry, has been promoted to a first lieutenantancy, and will likely be transferred to the Twenty-third regiment. Lieut. Moorman is a born soldier and his friends have predicted rapid rises for him ever since he entered the volunteer service. His record thus far indicates that they will not be disappointed.—The State, 5th.

Lieut. Moorman is a native of Newberry, and his friends here will be pleased to hear of his promotion.

Oil for the Children.

Give them oil—cod-liver oil.

It's curious to see the result. Give it to the peevish, fretful child, and he laughs. Give it to the pale, anæmic child, and his face becomes rosy and full of health. Take a flat-chested child, or a child that has stopped growing, give him the oil, and he will grow big and strong like the rest.

This is not a new scheme. It has been done for years. Of course you must use the right oil. Scott's Emulsion is the one.

Scott's Emulsion neither looks nor tastes like oil because we are so careful in making it pleasant to take.

Send for free sample. SCOTT & BOWNE, Chemists, 405 Pearl St., N. Y. City and \$1.00; all druggists.

I advise all desiring Insurance to investigate the Fidelity's plans before insuring. With best wishes. Yours truly, B. F. GRIFFIN.
